

## CHECKOUT HISTORY

Wish you could remember the name of that book you previously checked out?

Spend too much time searching for an article you requested last year through Interlibrary Loan?

Looking for an easy way to export reference information to your citation software?

### Opt-in to Checkout History

Combine all of your records from multiple platforms in one easy to access location.

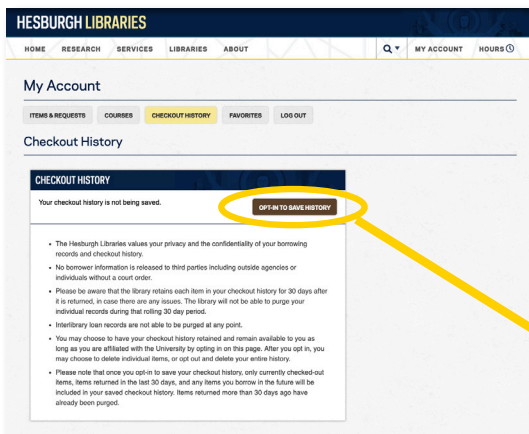

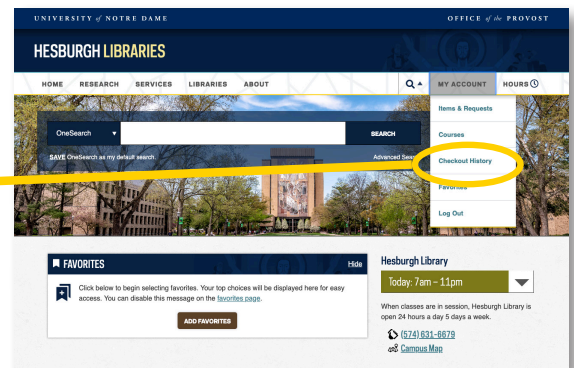

#### CHECKOUT HISTORY

Your checkout history is not being saved.

**OPT-IN TO SAVE HISTORY**

1 Go to [library.nd.edu](http://library.nd.edu) and log in

2 Go to **My Account** → **Checkout History**

3 Read the terms for the Checkout History feature

4 Click the brown button to opt-in

- See your entire history of Interlibrary Loan requests, including both books and articles.
- Initially, your book checkouts from Notre Dame will include only items you currently have checked out and items you've returned within the past 30 days, but all future checkouts will remain in your history unless you delete them or opt-out in the future.
